

## Kentucky Internet2 K-12 Users meeting

January 26, 2009

12:00-1:00 p.m.

**Attending: Bo Lowrey, Jeff Jones, Cathy Watson Pittman, Steve Crisp, Tim Sizemore, Susan Lancaster, Miko Pattie.**

The K-12 Kentucky Internet2 Users Group met on 1/26/09 due to the MLK holiday last Monday. The time of the Bi-Monthly Kentucky Internet2 Users Group meeting has changed. The K-12 Kentucky Internet2 Users Group will be followed by the Bi-monthly Kentucky Internet2 Users Group Meeting will meet from 1:00-3:00 p.m.

1. KTLC Conference –2009 KTLC has been cancelled
  - **From Jeff Jones--a. TEC Conference:** Fayette County will be doing their Technology Enhanced Classroom (TEC) conference in the first week of June. Last year we had presentations by Julia Heighway/CILC and Heather Weisse Walsh/MAGPI. This year I'm certainly open to suggestions which include some of what we were going to do at KTLC. We'll be sending out a "Request for presenters" in a few days. We're also examining the possibility of opening up many of our sessions virtually, and are working with Mike Dunn and Steve Crisp on one possible deployment scenario to support that using Polycom's new web client, though no decision has been made yet.
    - **B. KySTE Conference:** June 17-19 in Bullitt County
2. Follow-up from December 2008 a. Internet2 Access for the K12 Community
3. Kentucky Internet 2 K-12 Users meeting
  - a. Kentucky Based Content offerings. The list of Kentucky based programs was distributed with the agenda.
  - b. Follow-up and report at the Bi-monthly meeting
  - c. Tim Smith and Frankfort Independent Megaconference, Jr. Participation (February 19, 2009) and Aviation Project for a presentation
  - d. MegaDEAFConference
4. Technical questions and issues—Invite Tim Sizemore and Steve Crisp
  - a. Questions for Steve Crisp (Steve Crisp has graciously accepted our invitation to meet on 1/26/09)
    - i. Is the gatekeeper registration one time registration.
      1. Only register with one gatekeeper at a time.
      2. Register with 7 digit number
    - ii. Can a user register with only one gatekeeper at a time?
    - iii. Is the registration with the gatekeeper for security and control?
    - iv. Technical support for priority routing of VC data?
    - v. OET's overall KEN bandwidth, goals, pressures and policy intent.
  - b. Fayette County is experiencing technical issues related to their bandwidth.
    - i. There are technical questions pertaining to the district level
